Council Accepts Dan's Resignation

Chief town administrator Dan O'Connell's resignation, read at the council committee of the whole meeting of June 11 was ratified Monday night by a vote of 5-2. The motion to accept Mr. O'Connell's resignation came from Councillor John Bakker.

In dealing with Mr. Bakker's recommendation that Mr. O'Connell's resignation be accepted, here are the major points brought forth by all members of council as each spoke to the motion:

HUDSON - "I would like to propose an amendment to the motion that Mr. O'Connell withdraw his resignation and council defeat the motion unanimously. I'm proposing this amendment because I sincerely want Dan to remain as our chief administrator. He has displayed his best interest for this town for 10 or 11 years and has proven to be the best administrator we ever had. A unanimous vote would thus serve as a vote of confidence."

BAKKER - "I will not withdraw my motion because I know through experience that an employee who resigns, his or her resignation ought to be accepted without question."

de BRUIJN - "I feel Dan's resignation was forced on council through a devious internal scheme."

HUDSON - "I wish to make it clear that I'm speaking against the motion to accept Dan's resignation and furthermore, I feel that losing a man of Mr. O'Connell's calibre over such an issue as PSS doesn't speak well for this council. Maybe we can at least say we're sorry to Mr. O'Connell."

THRONDSOEN - "What would a 6 - 1 vote prove anyway?"

LUKAY - "If we ask Dan to come back, council will then be in a very awkward position because then if any one of the council disagrees with him... if he would agree to come back... where would that leave us?"

Above is one of the many colorful floats entered in the Rodeo Parade. Rain or shine St. Albert can always depend on an entry from the Community League.

Kinsmen break even on rain-sun rodeo

Rodeo Chairman Barry Welsh said Monday that the St. Albert Kinsmen were looking at a "break even rodeo."

"We had between seven and eight thousand on hand Sunday, which was good - especially considering the lack of parking, as the lot at the grounds was out."

Under Sunday's sunny skies the crowd began gathering early and the stands

were filled and hillside crowded well before the parachute jumping team came up with their spectacular performance.

Rodeo announcer Jay Harwood introduced Kinsmen President Bob Myrthue, Rodeo Chairman Barry Welsh and Rodeo Stock Contractor Reg Kesler and then the mounted Colour Party took to the infield for their intricate and crowd-pleasing

drill and mounting of colours. Following O'Canada the Rodeo was officially opened by Ernie Jamison, MLA for St. Albert constituency. Mr. Jamison congratulated the Kinsmen on their hard work and fine performance Saturday under adverse conditions, which won them the support of hundreds of local people who enjoyed the rodeo breakfast and parade in the downpour. Saying it was a pleasure and an honour to open the rodeo during St. Albert's 112th birthday, he concluded with "Good luck to the cowboys - good sport to the fans and Carry On Kinsmen."

The afternoon performance which included the two series of events scheduled for Saturday went off extremely well despite the wet conditions and by the finals Sunday evening the infield was in very good shape.

The Arena events drew crowds lined up for blocks

Separate School Eyeing Enrolment jump of 295

St. Albert's No 6 school board received information, a report on enrollments for the 1973-74 school year tabled by school superintendent Elmer Gish.

In his report, Mr. Gish revealed pupil enrolment as of May 31, 1973 stood at 3,183. By using enrolment trends over the past two years as a guide plus a mysterious growth formula, Mr. Gish projected the Sept. enrolment at 3,478 students, a net increase over the May

31 figure of 295 pupils.

The board inquired of Mr. Gish if the present school facilities would accommodate this increase in enrolment and the answer was "yes, in view of two rooms in Mackenzie and one room each in Simpson, Rundle and Nickerson." Mr. Gish pointed out that projected enrolments could be handled adequately for the coming school term, "but next year we will surely have to bring in portable," Mr. Gish concluded.

St. Albert RCMP Detachment personnel portrayed the whole span of history of the famous Force's uniform as shown above by: Left to right - Cst. Reader, Maynard, Cpl. Vars and Const. Johansen.

Twilighters Obtain Tourist Booth

Visitors during the St. Albert Trail will be warmly greeted at the new Tourist Information Booth located in the parking lot of the Purple Dude. This facility has been in need for a long time to serve this area in view of the ever-increasing

volume of tourist trade passing through St. Albert and headed northward.

Local representatives serving on the Midnight Twilight Tourist Association board of directors, Harry Hutchings and Gerry Belke made an appeal months ago to the Provincial Department of Tourism for a trailer in which to house the Tourist Information Bureau. With an assist from St. Albert MLA Ernie Jamison, the trailer came on to the site at the Purple Dude earlier this week and plans are in the making to staff the bureau.

For this season, the St. Albert tourist information bureau will be staffed by high school students willing to work long hours for minimum wages. The hours have been tentatively set from 9 a.m. until 9 p.m. daily, seven days every week during the holiday season. More details will be available later as developments take place.

Local officials of Zone 14, Midnight Twilight Tourist Association have already pledged \$300 toward the operation of the tourist information bureau. More pledges are expected from local organizations. One very generous pledge made by an individual was received this

Rodeo Draw Winners

Tickets were drawn by Rodeo Queen Shirley LeMoignan at the arena for Rodeo 112 Draw. Winners - The \$1,000 Bill went to - Mae Timms, Westlock, Alberta. Pony (Buckskins Wels) donated by Chris' Grocery together with the Saddle donated by Macleods Store were won by Dorothy Rodenier of Lloydminster. The 10 speed bike, donated by Shillington Furs, Edmonton went to Reginald Bolton, Onoway, and the Mustang bike donated by GMC Western was won by Bennie Bolton, 14 Spruce Crescent. All Around Cowboy, Dale Rose of Medicine Hat, was winner of Bruin Inn Trophy Rifle - presented Saturday evening following the final Rodeo performance.

Meeting Dissolves As Tempers Flare

Tuesday night's meeting of council was abruptly terminated by Councillor John deBruijn at 10:45 p.m. when he declared the meeting ultra vires according to the Municipal Government Act. Mr. deBruijn cited the section which states that a municipal meeting cannot be legally held unless all sitting members have been duly notified of the intent 24 hours prior to the meeting.

This reference to the Municipal Government Act was resorted to by Mr. deBruijn when council had dealt with the Mill Rate By-law 23/73.

Up to that point, the major item of business discussed was increasing the mill rate by 2.5 over last year, thus setting it at 80.5.

Mr. deBruijn indicated his strong opposition to the increase and the meeting moved from the Public Library to the Town Hall to check out his contention that the entire meeting had to be declared illegal. Councillor deBruijn was found to be correct and the non-meeting was adjourned following a heated exchange between councillors deBruijn and Bakker.

Council Rift

Continued From Page 1

GIBBON - "We could beg Dan on bended knee to withdraw his resignation and I doubt very much if it would do any good."

de BRULIN - "I move an amendment to the motion that we accept Mr. O'Connell's resignation and concur with his recommendation to obtain leave from council meetings until September 30 when he expects to be in a position to turn over his duties to a replacement."

The vote on the amendment was carried 6-1 with Mayor Gibbon opposing the amendment.

Next came the count on the motion that Dan's resignation be accepted and that came out 5-2 with Mayor Gibbon and Councillor Hudson casting the negative votes.

Rodeo

Continued From Page 1

and under Chairman George Wilkie the family afternoon and three-nite beer fest went off with a minimum of trouble and Gene and Reg Droughy were tremendously well received by the capacity crowds of young and old.

BRAVERY AWARD

R. L. "B-b" Gaudin, a Canadian National trainman at Edmonton, checks the time on his new watch with CN president Norman J. MacMillan. Gaudin had just received the engraved watch from the railway's chief executive for his bravery earlier this year in rescuing two toddlers from the path of a moving freight train. In the rescue effort, Gaudin pushed one child clear of the tracks while standing on the front of the locomotive and then ran ahead of the unit to take the other child to safety. Mr. Gaudin is a resident of R.R. 2, St. Albert.

CN Photo.

Good Grief! A Reading Club?

This summer local grade schoolers can wile away the long summer days by enjoying the best from the shelves of their own public library, as the St. Albert Public Library launches its first Summer Reading Club.

All local children in Grades 1 to 6 are invited to join and read. A personal list of books read will be kept at the library for each child participating and at the end of the summer diplomas will be presented to those excelling throughout the summer at a special Summer reading Club Party on Saturday, August 25.

To join the club, children must register at the Library. A personal reading list will be made up to record their books and a personal name tag will be placed on the reading club list in the library. As each child reads, this name tag is moved along to indicate his progress.

Every Tuesday and Thursday morning from 10 a.m. to noon, all Reading Club

The original "bathing beauty" may have been Ivory's Purty Girl, advertising a new soap and featuring a sun bonnet and Gay Nineties version of a plunging neckline.

members may report on the books they have read that week to the library staff.

The Club officially starts Monday, June 25. Special books recommended for summer reading will be marked with a yellow strip on their spines. Come by the

library today, join up, and start reading!

Rodeo Parade winners

From the time his telephone started ringing at 5 a.m. Saturday morning, parade chairman Bruce Daley had the same message. The parade is on! Out of an entry of 74, 24 turned up in the downpour and received fine support from the public who stood in the rain to cheer them on.

The St. Albert Community League float was a double winner, named Best Overall entry and Best Decorated Float. President Henry Terrault accepted the trophies on behalf of the league.

The Edmonton Klondike Boys Drum and Bugle Corps were judged Best Band.

Two local girls, Jennie Herman and Linda Wells

were fully deserving of their Best Junior Horse award, with their well groomed mounts, good horsemanship and pleasing costumes of their own design. The Reg Kessler Rodeo Color Party won the Best Senior Horse entry, and Rodeo stock contractor, Reg Kessler accepted the trophy.

The Canadian Imperial Bank of Commerce, St. Albert branch, won the Best Decorated Car trophy, accepted by Manager Dennis McConnell. Most Original entry went to the Welcome Wagon Newcomers Club and President Pat Gray accepted the trophy.

Presentations of the Kinsmen trophies to the winners was made Saturday afternoon at the arena by Rodeo 112 Queen, Shirley LeMolgan and runner-up candidate Bobbie Kufeldt.

The Kinsmen Rodeo Parade Committee had special praise for the tremendous co-operation of the St. Albert RCMP detachment and the town employees under Marcel de Champlain.

Youville Auxilliary elects new officers

The Ladies Auxilliary of the Youville Home held elections recently with the following results: President, Mrs. Kay Oddleifson (re-elected by acclamation); vice-president, Mrs. Flo Hartmetz; secretary, Mrs. Kay Krupa; treasurer, Miss Marie Wolniewicz (also re-elected by acclamation); Mrs. A. MacMillan, correspondent. Meetings are held at the Youville Home on the second Tuesday of each month with the exception of July and August.

This Auxilliary is active throughout the year in providing the patients of the Youville Home with a var-

ety of entertainment.

Bingo? Yes, every third Thursday of the month, the patients try their luck! A delicious lunch is served after the Bingo, when a beautifully decorated birthday cake, for those having a birthday in that month, is shared by all.

The patients have also been entertained by various St. Albert groups. To mention but a few, Mrs. Kennedy with the Albert Lacombe School's Glee Club, the Native Society, Mr. Sid Deguire with his Saints and Sinners Square dancers. On May 24, Mr. Pollard's Oldtime band came out from the city to

provide the patients with a couple of hours of dancing which they thoroughly enjoyed.

The Auxilliary offers sincerest thanks to all these kind, generous people!

The Youville Auxilliary is always happy to welcome new members. Meetings resume Sept. 11... ladies, think about it... and should you have free time, do join the group!

The annual bazaar, held in October, is the biggest project. For it the ladies keep very busy, knitting, sewing, weaving etc. A \$30 money doll is raffied and tickets are already on sale for it. A second raffie includes a lovely punch needle rug as first prize, a hand quilt, beautifully made, as second prize, a knitted afghan and a wall tapestry as third and fourth prizes respectively. The proceeds of this bazaar are used for the sole purpose of providing extra luxuries for the patients which they really appreciate.

To wind-up the year's activities, a picnic is scheduled for August 2 at the Grey Nun's Camp at Lac Ste. Anne for all patients who are well and able to attend. Games of all kinds are on the program plus lots and lots of good food. So let us "Think Sun" too for that special day.

A north-bound lowboy owned by Overpass Equipment Haulers of Edmonton jackknifed on St. Albert Trail last Friday afternoon causing the trailer section to swing on to the southbound lane. The mishap resulted in damage to a car driven by D. G. Brock of 19 Burnham Pl. estimated at \$2,400. Mr. Brock suffered slight injuries in the accident. Damage to a Calgary Power light station was quoted at \$250 and the truck came out of the scrape with damage estimated at \$100. No charges will be laid police report.

CARD OF THANKS

We wish to express a sincere thankyou to all the staff at the Sturgeon General Hospital, especially those on third floor and in "Dietary"; Dr. E. N. Gramlich and his associates at the Grandin Medical Clinic; and the St. Albert Parish team, especially Reverend Fathers Levange and Joly.

We will never forget the wonderful care given to Cheri during his lengthy illness; nor will we forget the thoughtfulness and kindness generated towards him by all of you.

Thank you to all the friends and relatives who were so kind to express their sympathy; it was deeply appreciated.

Also many thanks to "Trio Catering" who so kindly served coffee and lunch after mass.

VERA CHEVIGNY AND FAMILY.

Around Town

Ten canoes have now been completed for Camp Lacombe. One of these 16 ft. fiberglass canoes will be raffied off July 15th at Lac Ste. Anne. The camp director Ross Johnston has been training people through the winter to instruct the campers in the art of canoeing safely. For a chance to enjoy a ride in these canoes, young campers should get registration forms in soon.

CARD OF THANKS

The Single Social Club wish to extend their thanks to the following gentlemen for donations towards the Club's float: Mr. Kruse, Morinville and Mr. de Bruijn, Mr. Scriven, Mr. Graham Blacklock, Mr. Guy Olson, all of St. Alberta.

ATTENTION VOLKSWAGEN OWNERS

We repair, sell, exchange anything you need for your car. Motors, transmissions, rear ends, tires, wheels, all body parts, glass, batteries. We can go on and on. Whatever your needs are we have it.

JASPER AUTO PARTS

ON ST. ALBERT TRAIL -- PHONE -- 459-6621

Thank-You

If you drop a package on the street, and someone dashes to pick it up for you, it's only natural to say "Thank You." If someone helps you with your overcoat, it's automatic to say "Thank You." These words of gratitude are often said more automatically and with less conviction than they are really meant to convey.

The St. Albert Supper Lions Club also uses the word "Thanks," but it does indeed have conviction and

sincerity. The appreciation comes from the Lions directly and also from the many people in the community who will benefit indirectly from the proceeds of Saturday's Rodeo Breakfast. We had fun staging the Breakfast, sorry as it was, and we hope the sun will forever shine on your ledger books!

Glen Ward, Chairman
Rodeo Breakfast Committee,

Letters to the Editor

Bus Pollution

The Editor:

Since we pay a handsome money from our taxes to Western Bus Lines for a better service, we could at least expect that they have properly maintained vehicles. Instead they discharge black clouds of smoke and it is impossible to breathe even when the bus is already gone for quite awhile. Our clean air is much more worth than this, with tax money running the nuisance.

Rolf H. Jauch.

Sand-box Politics

The Editor:

The great St. Albert witch hunt is on again. First Mrs. Stibbe and now Mrs. Acker. At opposite ends of the issue granted but I'm sure both the best intentions and with the best interests of the town at heart.

What a time to be repaid for honestly trying to improve our quality of life!

I think its high time our town administration stops playing sand-box politics and gets on with the serious business of running the town. St. Albert is growing up. Council should do likewise. Giving priority to programs

rather than personalities would prove infinitely more profitable.

Shirley McCaffery.

Undemocratic Council

The Editor:

Democratic government means government by the people. Elected representatives of the people are accountable to their electors.

There are two particular aspects of Town Council operations in St. Albert which seem to be in conflict with the concept of true democratic government. They are:

the holding of unnecessary "in camera," or closed meetings;

the non-recording of votes in council (unless specifically requested by a particular member.)

Granted, closed meetings are sometimes necessary, as when confidential information is being discussed, but the indiscriminate moving of meetings normally open to the public behind closed doors, and the consequent suppression of legitimate information and opinions from the citizens leaves one with the impression that councillors are perhaps less concerned with protecting private and confidential matters than with protecting their own image.

Every time council moves to exclude the public from discussions, they merely serve to stimulate the circulation of rumors, speculation, suspicion and misinformation.

The same principle of "right to information" applies to the recording of votes on motions before council where there is not unanimous agreement. Citizens are entitled to know which council members are or were in favor of or against particular important proposals. All votes should be recorded - how else can citizens evaluate their representatives' performances?

R. V. Garlepy.

"My advice is keep away from it. You start with catnip and, before you know it, you're on heroin."

What's the matter with St. Albert?

the Gazette REFLECTS

A lot of people are asking that question these days - oldtimers and residents who have lived here 4, 8, 12 years, and have concerned themselves with community affairs and local government.

Over the past year - and more particularly the last eight or nine months - the atmosphere in Town Council has changed and deteriorated.

Formerly we had a situation where seven elected representatives met together in honest and open discussion and argument - all having the best interests of the town at heart.

A situation has now developed in which the council chambers have become an arena where individual councillors wage their personal wars. In such a situation the affairs of the town are bound to suffer, and with the resignation of Chief Administrator Dan O'Connell, not only some councillors, but many citizens at large, have realized that a crisis has developed.

It will indeed be very, very difficult to replace Mr. O'Connell - a man with exceptional administrative ability who also harboured, over all his 10 years here, a dream of what St. Albert could become. An imaginative, but realistic dream of a special kind of town that could develop as a model satellite to a big city.

Carefully, carefully, did he labour to lay the cornerstones that would ensure that the dream could become a reality. Each year's budget must have some money held in reserve, so that the town would have a cushion Would never again have to revert to new town status through inadequately financed growth.

The major over-riding needs for adequate water supply - sewage disposal - street arteries - assessment and rate figures in a realistic perspective - These needs first.

Year by year watchful consideration of newly developing areas, so that they would fit into the model satellite, where an alternative to big city living could be possible. Year by year extra money budgeted for parks and recreation facilities so the needs of the residents could be met as they could afford them.

Working for his goals Dan O'Connell worked hours upon hours of overtime. Hours that no one but a dedicated man would have considered. As he worked he won the respect and the affection of the staff at Town Hall, and the respect of his colleagues in administration positions in town. Probably with the exception of hospital administrator Clifford Keyes, one of the authors of the report on Preventive Social Services which was one of the final straws leading to Mr. O'Connell's resignation.

He saw the cornerstones continually weakened or removed - and with them the disintegration of the dream, and the futility of the work. His recommendations were often ignored and the built-in reserves were eroded for short term considerations which lost sight of the overall goal.

And when Council recently decided that the P.S.S. Director deserved priority over the chief administrator, Mr. O'Connell had no alternative but to resign. Council

cillor Hudson recognized his resignation as a crisis - Councillor de Bruijn did - Mayor Gibson did.

Councillor Bakker took the position that if 'staff' couldn't take direction it was "Too bad." When he called for the resignation of the mayor it was for certain a case of the pot calling the kettle black. Many is the time in council that Councillor Bakker has given 'staff' the kind of sarcastic, cutting dig of which he is a master. Does he forget that staff are people - and that they may be as capable of competence and at times as capable of error as is a councillor?

The mayor has been publicly criticized for an arrogant attitude. And arrogance - like sarcasm - is hard to take. If one man should resign, so should the other.

Councillor de Bruijn - the other senior member, faced with the pot and the kettle can usually be depended upon for an independent and intelligent position, but perforce is influenced by a personality, if not a basic approach conflict with the mayor.

Councillors Thronsdon and Fyfe appear solidly lined up behind Bakker, while Hudson and Lukydo do not get in line consistently behind any of the senior, (in terms of length of office) members. Each can be counted on to move independently according to how he sees a motion. From the point of view of the public it is a sorry situation, made sorer by the loss of a fine administrator.

Perhaps what's wrong with St. Albert can only be righted by a town election, with all seven seats on the line.

There is jubilation in the camp of the vocal minority, over the resignation of Mr. O'Connell and the reinstatement of the P.S. Director. But it is well that a process of polarization has begun. It is Time!

CARD OF THANKS

Our sincere thanks and appreciation to all those that supported us at our Kinnette Food Broth during Rodeo 112. Our success will enable us to continue our community service projects.

Saints blast Canatives for fourth win of year

Willowbrook Saints baseball club won their fourth game of the year last Tuesday with an easy 10-2 win over Canative Suns.

Saints now have a Sunburst league record of four wins, two losses and a tie.

The first pitch of the game told the story as Wayne Biggs (playing firstbase) hit it over the right field fence for a homerun. Every Saint went to the plate in the inning and by the time it was over they had a 6-0 lead.

After Biggs blow, Chester Cunningham reached first on an error and came home on Larry Wolbeck's double. Gene Sharun grounded out but Rick Pugliese's single scored Wolbeck. Don Hodgson had a single up the middle and went to third when Hank Reinbolt was safe at first on a Sun infield error.

Winning pitcher Ken Sharun then singled Hodgson and Reinbolt home for the final runs of the inning.

St. Albert increased their

LARRY WOLBECK

DON HODGSON

lead to 8-0 in the third on three straight hits. Hodgson and Reinbolt both doubled and scored on Louis Martineau's single.

Canatives scored single runs in the fifth and seventh inning.

Saints final two runs came in the eighth when Fred Resler came home on a home-run by Keith Berrel who

came in to relieve starter Ken Sharun in the seventh.

Coach Larry Murray had a chance to play every player and was pleased with Sharun's work on the mound. The youngster allowed only six hits while getting nine strike-outs.

Saints next home game will be tonight with the City Police coming to town.

Baseball action at Frontier Daze has 8 team tournament

The annual Morinville Frontier Daze baseball tournament will be held this weekend with eight teams taking part. Most of the teams participating are members of the North Central Baseball League.

Action gets underway at 11:30 Saturday morning with Alexander Braves and Legal. Morinville and Glenaville go at 2:30 with Bar-

head and Redwater playing at 4:30. The final game Saturday has Vimy and Bon Accord.

Semi-final action Sunday is at 12 noon and 3 p.m. with the final starting at 6 p.m.

Prize money will be \$50 for the first win, \$60 for the second and \$75 for the final.

NORTH CENTRAL ALBERTA BASEBALL STANDINGS AS OF JUNE 17

TIRE TREAD

Check tire tread when considering the purchase of a used car, advises Consumers' Association of Canada. If the tread on any tire is worn unevenly, the front wheels are probably out of line and will need alignment. CAC national headquarters is located at 100 Gloucester Street, Ottawa.

Kim Buettel, left, the 14 year old superstar in the short-stop position will amaze fans with her finesse and smoothness. Kathy Pierce, pretty blue-eyed blonde has great versatility, playing any position with ease. Dynamic pitcher Karen Beards heads the team - a pitching wizard. Debbie Delao at right plays first base as one of the best in the business. The four gal fastball team will be in Calahoo next Tuesday evening and are sure to provide fans with an unusual and fascinating exhibition.

Four zany gals bringing great fastball to Calahoo

One of the most unusual sporting attractions today, "The Junior Queen and Her Maids," fantastic four-girl softball team, will be appearing in an exhibition against the local Calahoo Chiefs at Calahoo, June 26. Game time is 7 p.m.

You'll be witnessing the dynamic pitching artistry of 14 year old, Karen Beards, who has appeared on coast-to-coast TV programs such as The Steve Allen Show, Truth or Consequences and many others. She spices up the game by throwing the

ball totally blindfolded, between her legs, behind her back, and will be offering \$5 to volunteer batters from the audience who are brave enough to try to hit one out of three pitches in fair territory.

If you want to be entertained with amazing skill and side-splitting comedy, similar to the well-known Harlem Globetrotters of basketball, come out and see these nationally famous personalities play the Chiefs.

This softball extravaganza will be sponsored by

Calahoo Sports Association. Tickets are \$1 for adults and 50¢ for children and are available at the gate.

The very attractive Junior Queen and Her Maids performed before packed parks last year and finished with a perfect season - NO LOSSES!

Dynamic leaders of the team are manager and announcer, Royal and Carol Beards. Royal, quick-witted, master of ceremonies, and his very lovely wife, Carol, add color and excitement to this unique family show.

Golden Jets Barry Konkolus let a hard-shot go at Blues goalie Monday night but failed to find the mark. Blues handed Jets a 15-9 thumping for their first loss of the year.

Golden Jets take 1st. loss at hands of North Glenora

The St. Albert Golden Jets Lacrosse Club lost their first game of the 1973 season when they dropped a 15-9 decision to the powerful North Glenora Blues. The Jets, had not lost since June 21 of last year when they were dropped by the Beta Well Riggers 13-10.

The Jets took an early lead in the game when Ray Anaka beat Blues' goaltender John South at 1:03 of the first period. Mark Valastin of the Blues tied it up at 1-1 five minutes later. The Golden Jets looked very impressive on Blake Christopher's goal as well as Ron Mussieux's. But the Blues started rolling and scored five straight goals

past goaltenders Bill Tiedland and Larry Davis and led 6-3 at the end of the period.

The Blues pulled away in the second frame as Art Cairns scored twice. Tom Cairns also tallied for the Blues while Gerry Hunt and Hurry Parlee kept the Jets in the game. The Blues led 9-5 entering the third frame.

The Golden Jets were down by six goals after 3:10 had gone by in the final period. Nick Derose, who had three goals for the Blues, scored :30 into the period. Brian Pederson notched the Jets' sixth goal of the game when he walked in on South, threw a quick fake

and put it low to the right side. But Dave Reichelt and Chris Douglas put the Blues into a 12-6 lead and were never threatened seriously again despite goals by Pat Niblett, Gerry Hunt, and Wally Monson.

The Golden Jets won't have much time to lick their wounds as the Blues meet the Jets on Tuesday at 8 p.m. in the arena.

STANDINGS -- ALBERTA MAJOR LACROSSE LEAGUE

Sturgeon Fastball

Calahoo Chiefs scored eight runs in the fourth inning Monday night and went on to defeat Fairhaven Falcons 19-7 in Sturgeon League action. Gall Reugehaug led the Chief hitters with four hits while winning pitcher Francis Knight chipped in with three. Gene Welsgerber had three hits for the Falcons.

Michael's Catering remained in first place with a close 5-3 win over St. Albert Ian while Stony Plain Playboys beat the Kings 8-1

Cal Edwardh, left, and Cynthia Becker of the Hillcrest Club won the Mixed Doubles event at the St. Albert Invitational B tournament on the weekend. Alexandra Kincaid of St. Albert won the Ladies Singles, and Al Hoge with Jay Taylor took the Mens Doubles.

Weather Hampers Tennis Tournament

Angela Miller of St. Albert was a finalist in the mixed doubles and semi-finalist in the ladies doubles in the tennis tourney held here last weekend.

The sixth annual St. Albert invitational 'B' tennis tournament was a very successful event in spite of the windy weather. The tournament was held on the weekend of the 9th and 10th June but because of the weather some events were completed during the following week.

Charles Tegge of St. Albert Club won the men's singles and Alexandra Kincaid of St. Albert won the title for the ladies. In the men's doubles event Al Hoge and Jay Taylor, both of St. Albert were the winners. The Ladies Doubles was a round robin event and re-

sults were extremely close. The winners were Cynthia Baker and Molly Amundrud of Hillcrest. Cal Edward and Cynthia Baker of Hillcrest Club took the mixed doubles.

The secondary winners were: Men's singles, Al Glowicki of Hillcrest; Men's doubles, John Hombach and Ken Amundrud of Hillcrest. Mixed doubles, Lenore Scanlon and Dolph Ryks; Ladies singles, Sandy Warren of St. Albert.

The tournament was ably run by the tournament captains, Roman Mureika and B-b Green.

Local Tennis Teams Share In Laurels

The St. Albert Tennis Interclub teams have been doing very well lately. The B1 team (Al Hoge, Jay Taylor, Shannon Foran and Angela Miller) defeated the St. Albert B2 Team (Lorne Wood, Sandy Warren and Ann Kirk) defeated Garneau 6-2. The St. Albert A team (Dave Kirk, Roman Mureika, Cynthia Sage and Judy Wood) were defeated by Glenora 5-3.

The Second novelty double-

les of the season took place on Wednesday 13th June, and once again was a great success. There were 20 players and David Kirk was the men's winner and Cynthia Sage and Ann Kirk won for the women. The novelty doubles was followed by a social gathering hosted by Mr. and Mrs. Age.

The B team defeated Derrick 1, 5 - 3 and are presently at the top of the nine team B league. The team

was Al Hoge, Peter Miller, Shannon Foran and Alexandra Kincaid.

The ladies of the club held a very successful social swimming sessions from 7-9 p.m. on Tuesday and Thursday, June 26 and 28 have been cancelled and there will be family swimming instead.

ST. ALBERT RECREATION HIGHLIGHTS

SWIMMING:

Registrations for lessons in July were scheduled to be taken on Tuesday and Wednesday, June 19 and 20. Registrations for the sessions in August (July 30 - August 10 and August 13 - 24) will take place on July 17 and 18.

In order to be fair to everyone there is no pre-registration. If it is not possible to attend on any of the registration days it is suggested that a friend be asked to take care of the registering. Perhaps one day you may be able to return the favour!

Next Sunday evening, June 24 from 9 - 10 p.m., skin diving will be allowed in the pool. This equipment is not permitted at any other time.

Adjustments in the schedule were contained in an advertisement in last week's Gazette. From June 25 - 29 there will be additional public swimming each day from 9 a.m. - 12 noon and from 1 - 3:30 p.m. However, to try and cater to as many segments of the population as possible, the public swimming sessions from 7-9 p.m. on Tuesday and Thursday, June 26 and 28 have been cancelled and there will be family swimming instead.

The schedule for July and August will be published next week.

A national lifeguard crash course will run from June 25 - 29 at Queen Elizabeth Pool in Edmonton. The cost of the course is \$20 which is payable at the time of registration: 9 a.m. on June 25. Participants must be 17 years of age and hold the Bronze Medallion and Senior Resuscitation Award of the Royal Life Saving Society.

TENNIS:

"Ladies morning" is once again Tuesday from 9:30 - 11:30 a.m. This is the time when ladies who may have difficulty getting away during the afternoons and evenings can get together without

having to make prior arrangements for a game.

FIGURE SKATING:
The Parnagian Figure Skating Club at Nampa will be holding figure skating classes from August 15 - 29 and an invitation has been extended to members of the St. Albert Figure Skating Club (National and CFSAA) to participate. The cost is \$40 for 11 days with either morning or afternoon classes and anyone interested in attending should phone Mrs. Melanson at 799-5264.

PLAYGROUNDS:
Applications are still being accepted in response to an advertisement in the Gazette calling for young people to work on the proposed playground program.

Saints tournament reset for weekend

Willowbrook Saints manager Rudy Scheibhofer has rescheduled the ill-fated Rodeo weekend tournament for this weekend and has managed to get all the teams back.

Saturday's draw gets underway at 10 a.m. with Fort Saskatchewan going against Redwater and at 12 noon St. Albert takes on Breton. The 2:30 draw has Viking

and Alexander and Camrose plays Widewater in the final game of the day at 5:30. Sunday's semi-final action starts at 10:30 a.m. Prize money will be \$50 per win plus \$100 for the final and the Lions Club Trophy.

The Saints will also operate a concession at the ball diamond.

Local golfers enter Ladies championship

Unsettled weather hasn't dampened the spirits of two Sturgeon lady golfers. On June 6 Shirley Fisher shot a 94 and on June 8 Tena Bannerman shot a 96 (18 holes). For their efforts these ladies will receive a golf pin from the Canadian Ladies Golf Association in recognition of their fine shot making.

Tena Bannerman, Bernice Cook, Shirley Fisher and Olga Komarnisky are com-

peting in the City Ladies Golf Championships this Tuesday through Thursday at the Victoria Park Golf Course. This is the first time the Sturgeon Ladies have been invited to compete in this competition.

The ladies membership has grown to 36 with new members joining each week. Ladies Day is Tuesday. Tee-off time 9 - 9:30 a.m. Business women 6 p.m.

Chris Pellerin of 10 Mission Avenue, right, is 112 silver dollars richer, following his win in the annual rodeo raffle by the St. Albert Fire Department. Mr. M. J. McNeill, president of the fire department's social club, congratulates Chris as he turns over the board mounted with the big discs at the Fire Hall Sunday morning. President Henry Terrault made the ticket draw at the Community League rodeo dance Saturday night. The firemen turn over the proceeds of the raffle to local minor sport.

Kids enjoy mixing French and English

Thursday, the 21st will be a party for the participants of the Bilingual Story Hour at 2 p.m. in the Library. To finalize these few weeks of play and study, the whole affair will be in the Circus theme . . . stories, music, playtime with "Beau-Beau" the clown and a puppet show as special features.

From the beginning of this experiment, the atmosphere in the Children's Corner was set as a miniature Town of Saint Albert. The entrance to the children's section was named "Rue Perronstreet" while the area used for the program was the town itself. The raised walk leading to the stairs bore a sign "Pont - Bridge" which brought a comment on the bridge that Pere Lacombe built. The Lecture room is the Library - Librairie, and the departure aisle is designated as the "River - Riviere."

Every Thursday was different in content. The story teller brought out the two languages in numbers, food fish and animals. A puppet called "Jacques" reinforced the conversation. Musical records brought out a welcome activity as "The Bridge of Avignon" in song led to singing out numbers and walking on the bridge, and "Simon Dit," as a game discussed the parts of the body. June 7 brought the children outdoors to play "On est le bouton" to emphasize the word "main-hand" as described in a poem. The days of the week were repeated from a calendar featuring large numbers.

On the 5th and final learning experience, the children were given "Happy Face" identification pendants to paint up as they wished. The story centered

around proportion and comparisons in height and weight as exists between different animals. After the musical interval, paper dolls of "Julie" and "Louis" were used as pin-ups to identify the clothing they wore. Later, Laurel Broten modelled as "Julie" while Stan Tworek stood in for "Louis."

St. Albert Plans Welcome Centennial Trail Riders

The Red Coats are coming St. Albert the hard way. In view of the RCMP Centennial, three hardy Mounties will be leaving Peace River Town June 28 and ride through to Edmonton via St. Albert.

According to calculations, the Mounties should reach St. Albert July 17 and according to Rollie Charbonneau, who is co-ordinating the local welcome party for the "trail riders," "an extensive gala awaits the Mounties when they reach St. Albert." Firm plans will have to be developed as they're being made, however, at the moment it looks like the Red Coats along with their escorts will be met at the northern boundary of town and escorted to a locale yet to be selected where presentation of town plaques and Chamber of Commerce scrolls will be made.

Plans for the remainder of the Mounty Welcome

Celebration are not confirmed yet but Rollie Charbonneau and his committee are looking at the possibility of a public barbecue at Lions Park including entertainment and all the trimmings. Rollie promised that he will keep the Gazette informed as developments are made.

Dancers present concert to end current season

The St. Albert School of Dancing wound up its very successful year with their annual recital held last Friday at the Students Union Theatre. One hundred and fifty students from age four to 17 years performed in the two hour concert.

After the show the prin-

cipals Alma Hughes and Gladys Smith were presented with a bouquet of flowers each, from the children.

Four scholarships in the form of one year's free dance lessons for ballet, jazz and tap were awarded to Julie Rumpel, Doris Wutzke, Lynn Fontaine and Leah Moore for their outstanding efforts during the past dancing year.

It has been a busy and rewarding year for the dancing school with students taking part in Alberta Tap competition in December, I.S.T.D. exams in April, Alberta Dance Festival in May, as well as numerous private performances for local service organizations.

The school now closes for the summer months, but hopes to fit in a two day dance workshop for local children, and will re-open for the new season in September.

St. Albert Dancing School group poses for photo at the end of the school's recital Friday evening. In back row from left are Alma Hughes, principal; Shirley Basters, pianist; Kim Martin, student teacher and Gladys Smith, principal. In front holding scholarship certificates are Leah Moore, left, Julie Rumpel, Doris Wutzke and Lynn Fontaine.

hour pins given by SGH Auxiliary

At their meeting June 11 the Ladies Auxiliary to the Sturgeon General Hospital presented 100-hour pins to members who have 100 or more hours of volunteer service to the organization. They were handed out by the administrator, Mr. Keyes, who also thanked the Auxiliary for all the work it does in the hospital.

The efforts of both members and non-members have made the past year a successful one for the Auxiliary, who have special praise for the assistance of the women who helped with the driving of a young St. Albert lad to physiotherapy every day for a few months. Shirley McQuitty, president, wished the members a happy and restful summer and hoped they would all be back in September, with lots of new members and new ideas.

This was the last meeting until September, but the

ladies will continue their many tasks throughout the hospital during July and August.

CANADIANS ON THE MOVE

Consumers' Association of Canada advises travellers to avoid unchlorinated drinking water and iced drinks, particularly in tropical countries. Salads, unpeeled fruit and other uncooked foods are also suspect. CAC national headquarters is located at 100 Gloucester Street, Ottawa.

Bike Winners

The St. Albert Kinettes were proud of five local youngsters who showed up for the bike decorating contest Saturday morning and went on to join the Rodeo parade.

The judges picked the following winners in the three categories as set in advance:

Dean Carson, 7, of Lamberton Crescent won First in the Best Western section.

Francis Roch, 11, of Gilmour Crescent, assisted by Dorl-Anne Page was second. Joanne Lucas, 9 years, Grandora Crescent, won First for Most Original, and Hilary Krier, 9, of Gordon Crescent was Second in this category.

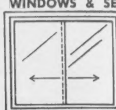

Brenda Charleston, 11 years, of Gordon Crescent won First in the Comical section.

No. 6 S.D. Reviews Busing Proposals

St. Albert Separate School District trustees Wednesday night gave the school busing situation a thorough going-over. The points of discussion centered around new three-year contracts as per submissions, to serve the system and increased urban busing support regulations as announced last week by the provincial department of education.

The first issue to be considered involved tenders by bus firms to transport St. Albert Separate School District children requiring this service. Secretary-treasurer George Herve circulated a resume of tenders received and after considerable discussion, Trustee Jim Wiltshire made a motion that the tender submitted by Western Bus Lines be accepted. The motion was carried unanimously.

Regarding increased urban busing support regulations announced last week by the provincial department of education, separate school trustees welcomed the announcement and immediately made plans to avail itself of this bonanza. As announced by Hon. Lou Hyndman, minister of education, the new urban busing support regulations will assist school systems as an alternative to investment in new school construction. The regulation spells out the increase in support to 10 per cent over previous rates and allows school boards to claim for elementary pupils travelling 3/4 of a mile or over. Previous regulations applied only to pupils who resided 1 1/2 miles or over from school they were designated to attend.

Superintendent of schools Elmer Gish reminded the board of the implications more extensive busing of pupils would introduce to the administrative staff. One area of concern Mr. Gish pointed out was the greater number of students eating

lunch in school once the expanded busing policy is adopted, another concern was that of supervision, in view of these concerns, Mr. Gish informed the board that all principals in the system are going to make a study of the project and report back with details showing the number of additional pupils involved

and staff supervisory scheduling.

Mr. Glen Grimstead of Western Bus Lines Ltd. was present at the meeting and volunteered to draft a route, schedule and price structure for additional busing services for St. Albert children attending special schools in Edmonton.

Mr. and Mrs. Gerard LeBlanc moved their home last week from 142 St. Albert Road to an acreage about three miles northwest of St. Albert. Mrs. LeBlanc said she and her family didn't have to pack a thing, the movers simply jacked-up the house, complete with furniture and all and brought the house to its new location in about two hours travelling time. The LeBlanc house makes way for future plans of Mr. Sam Shapiro, owner of the St. Albert Motor Inn presently under construction. The LeBlanc land was acquired by Mr. Shapiro excluding the modern bungalow seen above on its way home.

5th Guide Company earns awards

Fifth St. Albert Guide Company held a special ceremony on June 4. Lesley Shelmey, 5 Glenview Cres., and Darlene Samagalski, 3 Gladstone Cres., were presented by Mrs. Doris Jobe, with the All Round Cord, second highest award in Guiding. To achieve this award a Guide must earn numerous badges in all phases of the guide program. Congratulations to Lesley and Darlene.

The other guides of Fifth Company are to be commended as well, having earned over 70 badges in the past three months. Mrs. Marian Kay, Grandin District Commissioner, assisted by Mrs. Doris Jobe, District Guide, presented 50 of these recently achieved badges.

The evening was also highlighted by a Flying up to Guides Ceremony. The

Brownies who were welcomed to Guides by leaders, Mrs. Tupper, Mrs. Heidt and Mrs. Phillips are Fiona Bland, Cheryl Bolevert, Allison Green, Delores Hisse, Linda Maybee, Shannon Mill, Lisa Murray, Janet Newman, Renita Neys, Donna Nuttal, Cathy Pearson, Carla Lund, Cheryl Spencer, Kelly Stauffer, Cheryl Turin, Cindy Weismantel, Anita Woodford.

Melton Real Estate Moves To Sturgeon Plaza

Pat Connor, manager of Melton Real Estate Ltd., St. Albert has two good reasons to celebrate this week, one is that the local office has graduated from a sub-office to a full-fledged branch. The second reason is that Melton's St. Albert office has moved into new and plush quarters in the Sturgeon Shoppers Plaza.

Melton first opened a sub-office here in St. Albert about two years ago in quarters at 195 St. Albert Trail.

From the date of opening, Meltons has grown with the town, both in volume of sales and staff. Growth was so rapid that larger quarters were required to accommodate the larger staff. It was also at this juncture that Meltons decided to establish the St. Albert office into a fully-fledged branch.

"Now being a branch within the giant Melton family," Mr. Connor said, "gives us more flexibility within the organization and

it thus puts us in a better position to serve our customers."

At the moment, the St. Albert Melton Real Estate Ltd. branch enjoys three salesmen and a stenographer besides the resident manager. Murray Van Ee, salesman, is presently negotiating for a residence in St. Albert for himself and his family; Mrs. Louise Layng (nee Prefontaine) lives in Spruce Grove; Ron Morrill, salesman, now resides in

St. Albert and so does the secretary-receptionist Mrs. Joanne Papp.

From its new location in the Sturgeon Shoppers Plaza situated adjacent to the Red Rooster and Pat's, Melton Real Estate Ltd. occupies 1,000 square feet of office space. The modern premises are designed to offer private office space for manager Pat Connor and a staff of six. Mr. Connor explained that the newest addition to the Melton Family

here in St. Albert brings into action 140 salesmen dealing directly with every listing. "It's like a private multiple-listing-service," he said. Soon as a listing is placed with us, Pat explained, all our offices are alerted and our sales force springs into action. "Guess that's why we're enjoying an ever-increasing volume of sales," Mr. Connor speculated.

Meltons in St. Albert are having a map of the town

printed in the form of a promotional folder. Mr. Connor said that the original map was made available to Meltons by the Town and this promotional and informative item is being offered at no cost. Mr. Connor feels that St. Albert is now of sufficient size to warrant such a map in order to assist potential customers who are not familiar with the town, to get around without getting lost in the neighborhoods, crescents and various drives.

MELTON REAL ESTATE'S ST. ALBERT BRANCH

NOW OPENED

139 STURGEON PLAZA

PHONE 459-5595

... we have been open for awhile, but our official grand opening will be this Friday, June 22nd, between 4 and 8 p.m.

We invite you to meet all of the professional realtors in our new St. Albert Branch. You will soon find out that Pat Connor and his staff are well versed in Real Estate and especially informed about the Real Estate trends and home prices in the Town of St. Albert and area.

Melton Real Estate Ltd. are confident in the future of St. Albert and its surrounding areas, and we want to share in its growth and development and continue in the Company's 50-year philosophy of offering specialization in all the areas that we serve.

Be sure to drop in this Friday, have coffee and donuts, pick up some very informative brochures and the most recent map of St. Albert (graciously provided by the Town of St. Albert).

MELTON

PSS Director Reinstated After Brief Suspension

Preventive Social Services Director Mona Acker, who was suspended by order of Mayor Ray Gibbon of St. Albert last week was re-instated to her position Monday night at the regular meeting of council. Her re-instatement came on a 5-2 vote from a motion by Councillor Myrna Fyfe who pushed through the motion after Mayor Gibbon's motions calling for the resignation of the PSS Director failed to pass by a 4-3 vote.

Recorded votes on the two motions came out as follows: Motion No. 1 by Mayor Ray Gibbon that the PSS Director submit her resignation, was lost 4-3. Voting in favor of the motion were Mayor Gibbon, and Councillors Bob Hudson and John de Bruijn. Defeating the motion were Councillors R. Thirondson, Myrna Fyfe, John Bakker and Frank Lukay. No. 2 motion by Councillor Myrna Fyfe, that the PSS Director be reinstated

was carried by a 5-2 vote. Mayor Gibbon and Councillor Hudson voted against.

It took about two hours for council to reach this decision. The votes on the two questions came at about 10:30 p.m. after Mayor Gibbon had reviewed Mona Acker's position performance since she was hired in September 1971.

While substantiating his reasons for asking for the PSS Director's resignation, Mayor Gibbon cited dozens of instances during the ensuing months from 1971 to the present when, in his opinion, Mrs. Acker allegedly circumvented town council policy and performed in a manner unbecoming a department head of the town. Items cited for example included letters to the Premier of Alberta, Hon. Neil Crawford, minister of health and social development criticizing the local MLA's articles issued to The Gazette in which she criticized town council and other

such incriminating data. Mayor Gibbon also read through the PSS Director's annual report in which he cited areas of contention. The mayor also reviewed minutes of council meetings as well as minutes of PSS meetings in which there appeared to be conflicting terms of reference.

After this information was divulged, Councillor Myrna Fyfe commented that Mrs. Acker, as head of her department, had a right to make observations in her annual report.

"Her report was correct wasn't it?" asked Councillor Fyfe. Before Mayor Gibbon had a chance to reply Councillor John Bakker asked, "When the annual reports were read months ago you didn't comment on it?" Councillor Fyfe picked up the question with a repeat of the same question to Mayor Gibbon, "yes, why didn't you comment at that time?"

Mayor Gibbon replied, "I'm commenting now." At a point in the proceedings, while Mayor Gibbon read through data dealing with Mrs. Acker's performance as PSS director, council was ready for a coffee break. On a motion by Councillor Bob Hudson the coffee break was approved on a vote of 5-2. Councillors Bakker and Fyfe opposed the motion.

After the meeting resumed and Mayor Gibbon concluded with his report, Councillor Fyfe asked the mayor if it was not true that about two weeks prior to his asking for Mrs. Acker's resignation, "did you not recommend a pay increment for Mrs. Acker?" Mayor Gibbon admitted that he had made the recommendation then changed his mind in the light of new evidence which in turn left him no alternative but to ask for the PSS director's resignation.

"Is your recommendation for Mrs. Acker's dismissal based on one point alone then?" Councillor Fyfe asked. "No," replied the mayor, "on many points."

Councillor Bakker in his comments on the motion for dismissal made it clear that he was against the motion and further stated that council's decision of the June 4 meeting was binding on all

members of council, "including the mayor." Mr. Bakker concluded his comments by saying that Mayor Gibbon's order suspending Mrs. Acker as PSS Director was unconstitutional.

Councillor John de Bruijn volunteered the opinion that the article Mrs. Acker published in The Gazette criticizing town council was cause enough for dismissal. Mr. de Bruijn further said that it was indeed unfortunate this whole messy issue had to be aired at the cost of a valuable employee like Dan O'Connell.

Councillor Frank Lukay, in speaking to the motion, teetered between recognizing that council had a problem with PSS and PSS having a problem with town administration. In his summary Mr. Lukay suggested that Mrs. Acker may have shown insubordination, may have displayed incompetence, "but I'm sure the problem is not all on the one side," Mr. Lukay reasoned. He declared that council has a problem and ought to solve it soon as possible.

Councillor Bob Hudson, in speaking for the mayor's motion, reviewed the events which led to Dan O'Connell's recommendation for Mrs. Acker's resignation. He explained that it was rather difficult for council to assess the whole situation because members of council are not in town hall all day and every day. "We have not dealt directly with Mrs.

Acker as Mr. O'Connell has," said Mr. Hudson, "and therefore I believe his recommendation came about after due and serious consideration and I feel council should have honored that recommendation," Mr. Hudson said. He elaborated on his reluctance to see Chief Administrator Dan O'Connell resign over such an issue as PSS and concluded by saying that he would support the recommendation for Mrs. Acker's dismissal.

Councillor Thirondson said he would not vote in favor of the motion because, in his opinion, St. Albert lacked in guidelines for department heads, including Mrs. Acker. On this note Councillor Myrna Fyfe announced that all members were ready for the question. However, before the ques-

tion was called, Mrs. Acker's legal counsel, R. Wheatley pointed out to members of council that the whole procedure as conducted was in contravention to the Municipal Government Act. Mr. Wheatley explained to council that the Act clearly spells out the procedure of dismissal of a municipal department head. He explained that council must first notify the employee and state the reasons for the dismissal in writing and allow for a hearing.

This compelled Mayor Gibbon to alter his motion to read in part that council seek Mrs. Acker's resignation and failing this, summary proceedings are to be considered under Section 86 (5) of the Municipal Government Act.

The motion was defeated by a vote of 4-3.

Clark - Courchesne Wedding

Our Lady of the Angels Church of Fort Saskatchewan was the scene of a beautiful wedding on the afternoon of May 26, 1973, when Miss Claudette Courchesne and Mr. Bartlett Clark were united in marriage. The bride is the eldest daughter of Mr. and Mrs. Lucien Courchesne and the groom the son of Mr. and Mrs. David L. Clark, all of Fort Saskatchewan.

Father Richard Theroux, cousin of the bride, and Dr. Peter Ream officiated at the double ring ceremony. Mr. Glenn Goring presided

at the organ.

For her attendants, the bride chose Mrs. Valerie Clark as matron of honor, Miss Gisèle Lamoureux, cousin, and Miss Cindi Clark, sister of the groom as bridesmaids. Miss Pauline Courchesne, the brides only sister was junior bridesmaid.

The groom was attended by his twin brother, Mr. Glen Clark and Messrs. Bob and Denis Courchesne, brothers of the bride.

The bride was radiant as she entered the church on the arm of her father, Her

own of imported crepe featured organza sheer yolk and bishop sleeves. The em-pire waistline formed a 'V' line in the back for the sweeping chapel train. Rib-boned lace complimented the gown and full length veil which was held in place by a lace and crystal headpiece. She carried a cascade bouquet of yellow sweetheart roses.

The bride's attendants wore identical gowns of yellow-orange jersey, chiffon, with empire waistlines and ruffled collars. They carried nosegays of white daisies and yellow carnations.

Complimenting the dresses were carved ivory pendants, a gift from the bride.

The bride and groom symbolized the lighting of marriage by the lighting of a single candle from two tapers. The candle is to be lit on future joyous occasions.

During the signing of the register, Miss Carmen Groum sang beautifully as she gave a touching rendition of the wedding prayer.

For her daughter's wedding, the bride's mother was attired in a fuchsia colored chiffon gown, featuring shirred bodice and cuffs. Her corsage was pink roses.

The groom's mother chose a gown of aqua blue chiffon and wore red roses in corsage.

The bride's grandmothers Mrs. Ed Courchesne and Mrs. Jean Normandeau wore navy chiffon and turquoise crepe respectively. Their corsages were pink carnations.

Mrs. Mary McKnight, the groom's grandmother was dressed in a pink coat and dress, ensemble and wore pink carnations.

Following the wedding ceremony, a reception for family and friends was held in the St. Albert Community Hall. Mr. Casey Goring, friend of the bride and groom very capably acted as master of ceremonies for the evening.

The girls in charge of the guest book were the Misses Pamela, Heather and Sandra Parsk, cousins of the groom, Miss Brenda Morin, cousin of the bride and Miss Elvy Goring, friend of the families.

The toast to the bride was given by the bride's uncle, Mr. J. B. Lamoureux. In his reply, the groom asked one and all to join with him in a toast to the bride's attendants.

Following the dinner, a wide circle of friends were entertained at an evening of dancing. The music was supplied by Serinks Combo.

For going away, the bride changed to a pink and white pant suit and wore pink carnations in corsage.

For their honeymoon, Bert and Claudette travelled by car to Banff and Penticton.

They are at home in Fort Saskatchewan where friends and family are welcome.

Out of town guests attended from Seattle, Red Deer, Mannville, Rivercourse, Falher, Calgary, Westrose, Rainbow Lake and Peace River.

MR. & MRS. BARTLETT CLARK

Arts & Crafts Guild involves more people

A total of 71 classes in 20 different arts and crafts were attended by 1,003 children, teens and adults during the past season of St. Albert Arts and Crafts Guild.

These were the figures presented by Guild President Mr. A. A. Loman at the annual general meeting held recently at the clubhouse.

They represent an increase of 273 registrations over the previous year, Mr.

Loman noted, with ceramics again by far the most popular course at all age levels.

During the year the Guild's equipment has been up-dated by the addition of a town-purchased pug mill to aid in the reprocessing of clay and the purchase of two more electric wheels by the Guild.

"The existing facilities, plus the rapidly improving quality of pottery produced at the Arts Centre, is going

to make the St. Albert Arts and Crafts Guild a well-known pottery centre in Alberta," the president stated. He also made note of successful classes in pre-school arts and crafts, multi-crafts, woodworking, kite building, model aircraft, creative dance, copper enamelling, painting, creative leather work, cold weather clothing, knitting, crochet, upholstery, macramé, creative needlecraft, craft medley, puppetry, primitive weaving and loom weaving.

While classes have now concluded for the summer, the Arts Centre will be available to workshop members. Persons who have taken pottery classes are reminded to pickup their work at the Centre, June 20, 25 or 27 between 7 and 8 p.m. Some of the children's work is still being fired and parents will be notified re pickup dates. For additional information call Guild Co-ordinator Mrs. L. Folkins, 459-7344.

congratulations

What's a parade without a band? Well, St. Albert had a smart band in its parade Saturday despite the showers and stuff.

Gazette photographer Vic Post agreed to star in a comic performance at St. Albert's Rodeo 112 Sunday. His accomplice The Clown, however, didn't expect to come out of the act on the hot end of a shotgun. "Honest I didn't mean to shoot you . . . and my dad's the magistrate."

*The Scenes Pictured On
Took Place During The St.
Rodeo 112, Held This Past*

"Let er rip" . . . and away goes this rider, pitting the fury of the mustang dead-set on throwing his burly rider from their mounts . . . but again many hit the dirt at St.

Harts honored at farewell party

John and Grace Hart were honoured with a going-away party June 2nd given by their neighbors at the home of Ken and Cathy Riddell at 11 Salina Drive.

Mr. Hart has been named to the position of Vancouver Sub-Regional Manager, by the General President of the Laborers' International Union. The Vancouver Sub-Region includes

British Columbia, Alberta and Saskatchewan and falls under the Seattle Region which embraces the states of Alaska, Washington, Oregon, Idaho, Montana, Wyoming and Utah.

He joined the union in Toronto in 1949, transferring to Local 92 in Edmonton in 1952, where he served as business agent, business manager, then presi-

dent of the local building trades and secretary-treasurer to the district labour

Around Town

Mr. and Mrs. Alfred Kenney entertained at a supper party held at the Chateau Lacombe, in honor of their daughter Lindsay's 21st birthday. Lindsay, a former graduate of Paul Kane High School, is a fourth year art student at the College of Art, S.A.I.T., Calgary. This summer Lindsay is working as a program co-ordinator as S.A.I.T. Also present was Lindsay's sister Ellery, who is in second year secretarial technical at N.A.I.T., her grandmother, Mrs. Ada Hogg and her aunt and uncle, Mr. and Mrs. Samuel Hogg.

council

Since 1962 he has been an international representative. "He has done an outstanding job for Canadian Laborers," said General President Peter Fosco, "and I know he will continue to do an outstanding job in this position of even greater responsibility."

The Harts have been active in a number of community endeavors during the 14 years they have made their home in St. Albert and will be missed by their many friends here. At the party they were presented with a handsome engraved serving tray on behalf of 18 neighbors present, by Mr. Larry Mitchell.

They will be leaving for Vancouver tomorrow.

Lady Lions entertain

The Lady Lions held their June meeting at Raymond Brunelle's farm home. Following a short business meeting the members entertained their husbands at a barbecue.

The office of treasurer had been vacated, and Dorothy Gault was elected to fill this position. Lois Mills was appointed as the new Rose Lady. The members were grateful to the Brunelles for the use of their home and grounds on this occasion, and also thanked Mr. Ray Journoud, who donated paint to the ladies for their Lions Park project. The club has undertaken to paint the culverts at the park, which are a popular feature with the youngsters. Lady Lion Loretta Clay is lending her creative talents

to paint cartoon figures on the 'tunnels'.

Six local youngsters will be going to retarded children's camp this summer through the efforts of the club.

During Klondike Days the St. Albert Lady Lions will help sell tickets on the Lions Dream Home at the booth on the Exhibition grounds, dressed in their Klondike finery.

The next regular meeting of the club has been scheduled for the second Monday in September.

Announced Engagement

Mr. and Mrs. Bill Edwards are pleased to announce the engagement of their daughter, Colleen Louise to Mr. Robert Thomas Wenger, son of Mr. and Mrs. Thomas Wenger of Edmonton. The wedding will take place at 4 p.m. July 14 in St. Albert United Church.

Farm Implement Complaint Service

Re-issued from W. O. Klatt's office.

If you have any complaints concerning warranty claims or difficulty obtaining implement parts, contact the Alberta Farm Implement Act administrator.

The administrator and two inspectors were appointed last year to administer the act, to help farmers settle warranty claims, and to obtain emergency repairs, back-orders parts that are overdue and parts that are not available in this province.

The Alberta Farm Implement Act states that every new farm implement sold in Alberta must have a warranty. The warranty ensures that the implement was properly designed and constructed and that it is capable of performing in a satisfactory manner with reasonable durability. The warranty period is considered to start during the first season that the implement would be used after it

was purchased.

The Farm Implement Act also states that parts must be available for an implement within a reasonable length of time for a period of 10 years after the date of purchase.

In the case of a disagreement between a dealer and a purchaser regarding a warranty or the procurement of parts, the Farm Implement Act administrator will contact both parties and investigate the situation. If necessary, he will enforce the warranty.

For your own protection, check and see whether the farm implement dealer you are planning to do business with has a license. All farm implement dealers in Alberta have to be licensed and are required to post a bond. This bond ensures that the dealer fulfills his obligations under the Farm Implement Act.

Pre-season checking and

repairing farm equipment will decrease the need for ordering emergency parts. However, when you need parts quickly, ask your dealer to place an emergency order for them, offer to pay in advance and emphasize that you need them immediately. Emergency orders get special attention at company warehouses.

When buying either new or used equipment, always read your sales contract carefully before you sign, and make sure all the details of the sale are on it. Used equipment does not have a warranty unless it is stated on the sales contract or you receive a special

clial warranty document.

If you have any complaints contact the District Agriculturist or the administrator of the Alberta Farm Implement Act, Alberta Department of Agriculture, Agriculture Building, Edmonton.

By Alan Hall, District Agriculturist
How's going with all you folks? Things are rolling along pretty good here. You know, we finally got that seed drill survey licked.

Maybe I should introduce myself, being as I'll be here for a while, working with

Think Before You Ink

By Pat Prymak, District Home Economist

It's that time of the year again when people begin to think of buying new cars, furniture and even houses. With a lot of purchases come contracts to be signed. Signing your name to a contract is a simple task. Trying to break a contract is nearly impossible.

Once you sign on the dotted line you're legally committed, unless you're a minor. The seller is almost always protected by a contract; you seldom are, so if you want to wiggle out of a contract, you'll have to get a lawyer to help.

That's why you must always "Think before you ink." Although you may not realize it, anything you sign in a business transaction could be a contract. Contracts can be represented as receipts, sales slips, guarantees, applications, deposits, and questionnaires. A paper doesn't have to be called a contract in order for it to be one and it doesn't have to look legal to be legal.

When you sign a contract you usually promise to pay the full cash price plus a finance charge, to pay even if the product breaks down, wears out or is repossessed and to pay a penalty if you miss payments.

BEFORE you sign ANY sales agreement, read and understand it. Everything is important. Especially the words in small print since they're the ones with teeth in them. If you are confused about certain words or phrases, don't sign a contract. Get help from a lawyer or legal aid before obligating yourself.

Pay attention to terms like "as is" and "guaranteed." "As is" means there is no warranty on the product and you accept it in the condition it's in when purchased. The word "guaranteed"

Odds and Ends

Wally. During the summer months, I'll be working three days a week here and two days out at Westlock. However, around about September or so I'll be here full time. I spent the last year over at Strathcona. I've met some of you folks already and am sure looking forward to meeting the rest of you. If you're in town, pay

us a visit, we'll try and do the same when we're out your way.

I've got a bit bad news for some of you folks. According to a letter we got the other day we are not supposed to accept any more new applications for loans from the Alberta Agricultural Development Corporation. Being as they will soon be moving to Camrose and that they already have a backlog of applications to process, it was felt that perhaps a little catching up was in order. However, if you've already started on the application process don't worry. They'll be processed. This whole thing is just temporary. Next fall it'll be full tilt ahead again.

I seem to be a bearer of sad tidings these days. It looks as though "Bertha" will ravage and pillage the rapetfalls to an even greater extent this year. The forecast looks bad. Nonetheless everyone is ready to do battle, so I don't think she'll get a chance to do too much damage.

Well, that's enough bad news for this week. Maybe in a couple of weeks' time we'll have good news instead. Sure hope so.

Livestock Products Act Amended

Re-issued by W. O. Klatt's office.

The Alberta Livestock and Livestock Products Act has been amended to clarify who is eligible to claim losses under the livestock patrons assurance fund.

In addition to requiring an individual or company which deals in livestock to have a license and to be bonded, the Alberta Livestock and Livestock Products Act provides for a livestock patrons fund. This fund is designed to compensate 80 per cent of a livestock producer's loss in the event that a dealer goes bankrupt. Prior to the present amendment, the connec-

tion of the word "livestock" was open to interpretation. It could include bees, fur-bearing animals and poultry in addition to horses, cattle, sheep and swine. Now, livestock refers specifically to horses, cattle, sheep and swine, which means that only producers of these animals are eligible to claim losses from the livestock patrons fund.

The amendment also states that a producer who does not receive payment from a livestock dealer must notify the Alberta minister of agriculture within 60 days of having sold the animals. Previously, he could claim on an unpaid account up to two years later.

Hog Export Contract Signed At \$40.10 cwt.

Reissued from W. O. Klatt's office.

Dr. Hugh Horner, Alberta Minister of Agriculture, has announced the sale of Alberta's first long-term hog export contract.

The sale, through a Canadian firm, providing a price of \$40.10 per cwt, has been finalized through the co-operation of the Alberta Department of Agriculture and the Alberta Hog Producers'

Marketing Board. This is the first contract of its kind for Alberta producers. It will be in effect for a period of three years during which time substantial futures sales are expected. First shipments will be made within a month.

Dr. Horner indicated both groups were pleased with the terms of the contract price which is a reflection of the expected production costs

over the next three years. The terms of the contract will provide growers with a reasonable profit and the chance to plan their production. It will also enable them to provide a continual supply of hogs, which is important to buyers on such long term contracts.

The contract will stimulate volume production, thereby insuring the Canadian consumer of a continuous flow of high quality Canadian pork products.

Dr. Horner said that the contract indicates the finalizing of full co-operation of industry and government and he commends the board and Alberta hog producers for the initiative they and the Canadian packing industry have taken in co-operating with industry in developing a system that can culminate in such sales.

You've been working pretty hard, yet you should have enjoyed every minute of it — look what you've accomplished. A flowering border of annuals and perennials, a vegetable garden that is just starting to produce, tomatoes that are starting to vine and soon you'll have the very best tasting fruit 'cause you've grown it yourself. The lawn should be at it's best and weed free. So what you've done. You've become one of the country's good home gardeners, and they form 70 per cent of Canadian home owners.

Isn't there something else you can do to make your garden a more relaxing place? Of course there is. A patio could be built. This should be placed with easy access to the back door of your home. You could have a telephone extension placed outside so that you can continue to relax without having to run in to answer the phone. There is a great selection of lawn and patio furniture available in fruit and nursery shops and nurseries. Pick the type to be used should be a sufficient weight as not to be blown away by even a strong wind.

Pools

Many people have pools in staked in the ground, others will have them above the ground, but whichever you select, make sure there is protection against people using the pool. This can be done by a locked gate and a fence.

Chain link fencing is the strongest, but doesn't always fit into the landscape decor, so if you must use a chain link fence to guard your pool from intruders, then you can add some of the climbing roses and flowering shrubs to make it more interesting. Dwarf flowering annuals could be used around the border to the pool as well as some sod. Nothing like walking on the grass in your bare feet. Will the chlorine in the water be detrimental to plant material? Not the small amount that splashes back when a person is diving into the pool. Just keep those plants well fed and strong with Pink Viteo — you'll see a difference. I'll guarantee that.

Barbecue

The outdoor living makes summer living great and right here in your own backyard, you can have all the summer enjoyment you want. For ex-

TALKING GARDENING with

'DOC' HARTNOLL

ample, you could build your own barbecue using used house bricks. Many building supply houses have plans for building them, or you can buy one and move it where you like.

Have a real nice summer. It's been great writing to you each week and thanks for your nice letters and questions you've wanted answered. It's a pleasure for me to do it for you.

If you have any questions write to me, at Garden Information Centre, 165 University Avenue, Toronto 1, Ontario enclosing a stamped addressed envelope.

MORINVILLE MEMOS

By Flo McGinnis

With Frontier Daze upon us this weekend the whole town is bustling with activity as each and every resident prepares for the big event. All fingers are crossed in hopes that no '...' will come down!

The Morinville Lions Club is now putting out a monthly "Events Calendar". Clubs or organizations who wish to advertise an event are asked to contact Douglas Ramer at 256-3965 before the fifteenth (15th) of the month. These Calendars will be available at all local business places and are FREE.

FURTHER INFORMATION AND DETAILS BY CONTACTING --
MAURICE VAN BRABANT AT 256-2350

This project is sponsored and set up by the Lions Club and supported by Morinville businesses. The first issue came out June 15, and it is a pretty handy little item to have around as it notes meetings etc. that are coming up. We note that the July Calendar will be circulated June 22 so watch for it!

In the last issue of the Memos we made mention of the fact that several of our senior citizens had travelled to Edmonton to help celebrate a 50th wedding anniversary. It was the Golden Wedding Anniversary of Mr. and Mrs. Raymond Robert. Apologies are extended for having left off the surname.

Notes from the Rendezvous Club this week show that the first "Tour of the season is coming up for senior citizens on July 4. The senior citizens are going to visit the Alberta Game Farm and the bus will be leaving from the Recrea-

tion Centre at 9 a.m. sharp on the morning of July 4. There will be a fee of \$1.50 at the Game Farm. Those interested in joining the tour are asked to call one of the following: Mrs. K. Detonnacour 256-3586; Mrs. L. Billo 256-3125; or Mrs. D. Daignault 256-3465.

Mrs. M. Rousseau, Mrs. H. Houle and Mrs. D. Daignault were visitors at the Chateau Surpion in Legal last week, renewing old acquaintances.

Morinville Mothers Local still have some openings for the third swimming class July 30 through August 11. You are asked to contact Gloria Ellis at 256-3437, meeting regarding "Concerns of Our Senior Citizens" which is being held at 8 p.m. June 27 in the Rendezvous Hut. This meeting should be of concern to us all, but we too often conveniently forget these things and then have the excuse that "we weren't there." Now's your chance to learn first-hand!

Actually there is also lots of news from Morinville, but you'll have to come out Saturday and Sunday and see for yourselves.

A Little Safety
GOES A LONG WAY DOWN ON THE FARM

See you at Frontier Daze!

Students and teachers of the Sturgeon Heights School in the Alberta Legislative Assembly Chamber. Mr. W. E. Jamison, M.L.A., can be seen on the right.
Photo by Paul Gervais.

65 students take in trip to University - Legislature

By Jarret Berezanski

Sixty-five boys and girls of grades seven and eight of the Sturgeon Heights School went on an exciting field trip to the University of Alberta and the Legislative Buildings on June 11. The trip was organized by Al Fitz and Jeet Khullar, two of the teachers. Mrs. Jennie Majeau, Mrs. Olga Menzies, three of the parents also accompanied the group as chaperones.

The group visited the University of Alberta on the first leg of their trip. They toured various science buildings and spent some time viewing and observing the facilities that they themselves may be using in the near future. The experimental animal labs and the green houses were the biggest attraction. Well qualified guides provided by the University authorities furnished the youngsters with very useful and educational information.

A great deal of impetus for the tour came from a parent of one of the students, Mr. Joe Buvler, a supervisor in the Lab Animals Services Division of the University, and the father of Laurel Bouvier of grade eight, was instrumental in organizing tours of many of the labs. Mr. D. Carswell of the B:tany Department did most of the coordination.

In the afternoon the group visited the Legislative Building on the invitation of Mr. Ernie Jamison, M.L.A. for St. Albert. It was just about 'din-din' time when the group arrived at the provincial capital building. The students had their lunch in the cafeteria rubbing shoulders with M.L.A.s, ministers and other political leaders of the province.

A tour of the Assembly chambers, library and other attractions in the building proved to be very popular with the group. Mr. Jamison and a charming guide answered all the possible

questions during and after the tour.

A visit to the Centennial Flame and the lawns of the Legislative Building provided some relaxing moments for everyone after a very hard and busy day.

This was one field trip that no one will ever forget.

Morinville's Frontier Daze Has Wet But Brave History

By Flo McGinnis

There were no facilities, it was rain, rain, and more rain, but the show went on. That's how Morinville's Frontier Daze began back in 1965.

In five inches of rain, the parade moved down Morinville's Grandin Avenue. On the Saturday afternoon there were games etc., held in the Recreation Centre, and, that night a big dance was well attended. Even though it should have been classed as "rained out," it definitely was not. Everyone pitched in and made the best of things. Sunday afternoon was sunny, and games and contests were carried out in the area to the east of the arena building. It was considered (by some) a "flop," but actually it was the very beginning of something that has become, in eight short years a tradition in Morinville.

Mr. Vince Curtis, the first president, who headed the organization from 1965 through 1967 tells how the idea got started.

Mr. Curtis was the president of the Morinville Board of Trade at the time, and some of the member merchants suggested that "something be done to liven this town up!" Years ago there was always a community picnic held on the Sunday honoring St. John the Baptist. There would be ball games, races, and a huge picnic supper, "why not re-organize such a celebration?" So this is how the

idea originated. "Something to liven up the town," became "Frontier Daze," and even though 1965 was a mild beginning, the ensuing years have indeed -- livened up the town!

During Frontier Daze 1966 (the first year the name was actually used, and the first year that Father Primeau was manager) there was a Texas Barbecue on Saturday, and a Mulligan Stew on Sunday. The Knights of Columbus, who were active in Morinville at that time, organized them both. For the Texas Barbecue it took 42 hours plus some, just to cook the meat in the huge pits. The Mulligan Stew was cooked in two kettles, each holding about 30 gallons, and stirred with large wooden paddles. The kettles are still on hand, by the way, but the Mulligan Stew is gone.

PARA-DROP

That year one of the highlights was a parachute drop by some experts from Normao. The Lions Club had two concession booths (each about 8' x 10') from which they sold hamburgers and hot dogs. Then there were a couple of "made-up" tiny booths from which various games were operated. The only "building" was the Bandshell which had been constructed for Frontier Daze, but the whole set-up had a carnival air about it.

For Frontier Daze 1967 there were three buildings which had been purchased and erected on "the sports grounds" as set aside by the town. The buildings came by way of one donated by the CWL; one purchased by Father Primeau, and one purchased by Frontier Daze. Erected in the form of an H-hut, with the kitchen in the middle, the buildings have been used for a number of activities in the community. 1967 was the first year that a "Slave Auction" was held and was the second year for the big "Street

breakfast" complete with stacks and stacks of pancakes.

Then in 1968 with Mr. Harry White as president and Father Primeau in his third year as manager, Frontier Daze had the first Beer Garden in Alberta. They say that the inspectors spent the whole day that Saturday just keeping a close eye on the operation. We can only presume that Frontier Daze passed with flying colors since Place Pigale (the Beer Gardens) goes into operation this year for the sixth time.

It was in 1968, and expressly for Place Pigale, that the Cold Rush Kickers were formed. They too, have been a "regular" with Frontier Daze.

International Foods were introduced that same year, with German, French and Ukrainian favorites being served from The International Building as it is now called. International Foods is still one of the highlights of the two-day celebration. By the time Frontier Daze 1969 came along there had been many improvements made at the grounds. Bathroom facilities had been installed in the arena, and water and sewer services installed in the buildings.

INSTANT HIT

The demolition track had been laid out and in 1969 the very first demolition derby was held. It was, of course, an instant hit and continues to be run each year during Frontier Daze. Local ladies had volunteered their time and energy to paint the buildings. Every day, winter and summer visitors to Morinville, as well as just passers-by, can't help but notice the brilliantly colored buildings, the site of Frontier Daze.

It was in 1970 that Frontier Daze, with Octave Himmelschoot as president, and Father Primeau still the manager, became a Society under the Societies Act, in order to protect the members. That year, with the sports grounds fenced, and the construction of the circular building completed, Frontier Daze again met with rain, but all went ahead as planned. The candied apples were a little sticky and the candy floss melted in the drizzle, but the crowd was good and everyone took it all in.

1971 saw Pete Gibeault as president, and Frontier Daze Association in co-operation with the Morinville Community Sports Association had paved the arena floor. That year the Place Pigale was held in the arena for the first time with additional and almost continuous entertainment.

The race track had also been constructed, so for the first time, Chuckwagon and Charriot races were held.

These additional thrills and spills went over well and the crowds were bigger and better than ever.

It was in 1971 that the feature baseball game between the Provincial and the Local Government was originated. The Morinville Pillars are as strong now as they were then!

With Father Primeau in his seventh year as manager, and Pete Gibeault in his second year as president the 1972 Frontier Daze was moved ahead a week, but had to be postponed again due to rain. On the St. John the Baptist weekend it rained again, but many of the activities went on as planned.

During the year much additional work had been done. The electrical facilities had been improved, a new back-stop had been erected, and much painting and redecorating had been done.

The first arts and crafts display was held that year, and 1972 will always be remembered as "the year that Morinville showed what we really do have to offer." With the gymnasium of Cun-

ningham School filled to overflowing, the displays included old and acrylic paintings, displays of pottery and ceramic work, woodwork, sewing, knitting and crocheting -- ALL by local artists. The Hon. Horst Schmid (parade marshal for 1972) was duly impressed by what Morinville's Frontier Daze had to display, and complimented each and every entrant. Coming from the Minister of Culture, Youth and Recreation this was indeed a fine tribute to the Frontier Daze Association executive who had organized the display.

"BETTER LATE . . ."

In August of 1972 a special Sports Sunday was held whereby all the activities that had been "rained out" were fully completed. The demolition derby, the chuckwagon and chariot races and the baseball games were held. As Frontier Daze committee members said, "Better late than never."

So in true tradition, and for the ninth year, Frontier Daze will be held this year, 1973, on Saturday and Sun-

day, June 23 and 24.

This weekend will see the RCMP Centennial Edition of Frontier Daze being held as the annual two-day celebration for Morinville, "The Town With a Future."

Each year the profits derived from Frontier Daze have gone toward building, repairing and improving the sports and recreation facilities of the town. This year, the profits will go towards "Artificial Ice for Morinville."

The action begins on Saturday morning at 7:30 when the Free Pancake Breakfast gets underway at the Rec. Centre. Then at 10:30 the parade will get underway travelling down the main street and up to "the grounds" which will be officially open at 11:30 a.m. From that time right through till the fireworks late Sunday night there won't be a moment when there isn't something for every member of the family, whether they like to participate or just watch.

Leo (Spikie) Flannigan, 1973 president and the Frontier Daze crew have organized a "rookie-troop" two days that no one is liable to forget, with laughs, thrills, spills, and all the rest.

Morinville, "The Town With a Future," invites one and all to come on out and see what it's all about, -- the RCMP Centennial Edition of Frontier Daze.

Vimy News

By Jeanne Laplante

Recent visitors in the Dussault families were Mr. and Mrs. Pete Dussault from Victoria also Mrs. Susan Laurence from Salmo, B.C.

Holidaying at Radium Hot Springs over the Farmer's Day weekend were Mr. and Mrs. Paul St. Arnaud and Mr. and Mrs. Robert Huot.

In attendance at the 60th wedding anniversary celebrations for Mr. and Mrs. William Ford of Ponteix, Sask. were Mr. and Mrs. George Dubois, Mrs. Goldie Dubois and Mr. John Dubois.

Mrs. Dubois is presently employed at the Macleod Store in Westlock.

Mr. and Mrs. Jack and John Dussault attended a wedding in Vegreville last weekend.

Some 20 pre-schoolers were in attendance for orientation classes at school during the past week.

Expressions of sympathy are extended to the Zadunayski families upon the recent passing of Mr. John Zadunayski.

Le P'tit Theatre de Vimy subventionne par le Secretariat d'Etat, desire remercier tous les personnes qui ont en aucune facon fait du spectacle de dimanche dernier un formidable succes. Felicitations aux jeunes participants ainsi qu'aux membres de l'executif.

Mr. and Mrs. Philip Fag-

nan accompanied by friends from Legal spent the weekend at Thunder Lake.

Mr. and Mrs. Ed Sabourin have moved to the village and their son and daughter-in-law have returned to the home place. New arrivals also include Mr. and Mrs. Norman Hatton and daughters, Mrs. Anne Anderson and family. Hearty welcome to all.

Mr. Walter Followay in conjunction with Simplot Fertilizer Sales and Services hosted a social evening at the Community Centre on Friday night. Music to the beat of the Hi-Lites was enjoyed by all.

Rural Recreation

By Jean Smith

Plans are finalized for the Outdoor Arts and Crafts Workshop at the Pembina Provincial Park, Estevicito. Dates of the camp are from July 23 to July 26 with sessions beginning at 9 a.m. each morning. The courses offered will be primitive pottery, taught by well known potter Mary Bergstrom, photography by Alberta artist Doug Brown, basketry using native willow and other local material, dyeing wool with roots and other natural material, spinning, weaving, macrame, batik, block-printing, painting, teen and childrens arts and crafts, soft leather and creative dramam.

There will be supervised pre-school activities while the craft sessions are in progress and evening sing-songs around the campfire. For fathers and sons who enjoy fishing the Pembina River is close at hand.

Materials for samplers will be supplied and additional materials will be sold at cost price. Materials for children will be free. Paint-

ers should bring along paints and canvases and an easel if they have one, photographers their cameras and lots of film. Participation in a variety of sessions is encouraged.

Camping areas have been reserved for your tent or trailer and setting up time is scheduled for late afternoon on Sunday, July 22. At 7:30 p.m. Sunday a general assembly will be held at the cook house. Participants are responsible for their own food. Friday, July 27 is clean-up day.

Registration fees for the four days will be \$5 for adults, \$2.50 for teens and children 13 years and under will be free. Deadline for registration will be July 15. Send name, address, the number of adults, teens and children attending the workshop and the corresponding amount of money to Parkland Regional Recreation Office, Stony Plain, Alberta. Make cheques payable to Parkland Regional Recreation.

Some of the telephone information requests have

been misplaced. Telephone the office again if you require additional information.

PLAYGROUND TRAINING

The training session for summer playground personnel begins on June 25 at 1 p.m. at the Recreation Office, County Building, Morinville. Sessions will begin at noon and continue until 9 p.m. from Monday to Thursday. Participants are requested to bring along a lunch. On Friday a morning session is planned with a windup barbecue at noon. Covered in the session will be leadership, administration, program planning, first aid, playground games, arts and crafts, primitive pottery, candlemaking and weaving. Any young people 15 years or over who are interested in helping out at any of the playgrounds are urged to attend this training.

Jean Smith, arts and crafts co-ordinator, Recreation Department, M.D. of Sturgeon, 424-6276 and 256-4321.

Gibbons Notes

By S. A. M.

Mrs. Mollie Sheets of Renton Washington is spending several weeks here with her sister Mrs. Toots Crossbie.

Mrs. Jean Graham from Shells Scotland is visiting her son and daughter-in-law and family Mr. and Mrs. John Graham. Mrs. Graham will celebrate her 80th birthday while here.

Mr. and Mrs. Norman Rae have been touring the northwestern U.S.A. and are now home again.

Mr. Cap Davis is visiting old friends and relatives in the Gibbons area. Mr. Davis lives at Peachland, B.C. He is staying at the home of his sister Mrs. Eula Mabbitt while here.

Mr. and Mrs. Ralph Erickson and Mrs. Selma Bergstrom have moved to their new home in south Edmonton.

Anyone entering floats in the parade July 2 please be at the Catholic Church before 9:30. Get your tickets early for the Beer Fest on Saturday, June 30. Limited quantity. There will be mens and ladies fastball, boys baseball and girls fastball on Monday, July 2 beginning at 10 a.m. Concession booths amusement games and childrens races will be held on the grounds. In the school

portable the teen club will be holding Bingo. Something for everyone.

The Last Round Up Senior Citizens Club held their regular meeting June 14 at the Hut. Twenty-one members and guest Mrs. Todd of Devon were present. Marje Chamberlain was present to discuss activities for the Club. There will be a five day tour in August to Southern Alberta for any senior citizens interested - cost of trip \$70 plus meals. Sleeping accommodations are included in price. There will also be day tours, with the choice of destination up to members. The afternoon was spent quietly with most of the ladies working on a quilt and the others and the men playing cards. The men did a very capable job

serving lunch. The June birthday cake was served. Celebrating birthdays are Cliff Davidson, Reta Mabbitt and Alex Roberts. Next meeting June 28, all senior citizens welcome.

NAMAO NEWS

By Norma Crozier

Everyone is invited to the Namao Sunday School picnic which will be held right after the service on Sunday, June 24th. Bring a box lunch beverages will be provided. Lots of fun for the children.

The manse at Namao is to be completely redecorated inside this summer. Members of the three congregations will be holding Work Bees beginning June 26th at 9 a.m. to get the interior ready for painting. There will be some outside work too. Please come and help if you can on June 26.

Namoo UCW will hold a

shower for Gail Yaw in the Community Hall on Wednesday, June 27th at 8 p.m. Gail will be married to Bob Cameron on July 28th.

Congratulations to two Namao girls who received their degrees from University of Alberta recently. Carol Crozier got her degree in medical laboratory science and Marjorie Creswell received a professional teaching diploma following a degree in Arts.

Congratulations to proud grandparents Mr. and Mrs. Bruce Porter on a new grandson born to Douglas and Diane Porter on June

11th.

A wedding dance was held in the Namao School Auditorium on Saturday, June 16 in honor of Ken Creswell and his bride, the former Cheryl Stinson. Large white baskets of pink carnations and white snapdragons decorated the stage and an arrangement of white peonies the head table. Music was supplied by the Namao Orchestra and master of ceremonies for the evening was Harvey Ash. A delicious lunch was served by ladies of the district. Ken and his bride will be making their home in Namao.

A double gymkhana will be held at Namao Sunday, June 24 starting at noon.

Belanger-Rousseau Wed

By Flo McGlinis

St. Jean Baptiste Roman Catholic Church in Morinville was the scene of an afternoon ceremony on June 9th when Lynda Rousseau, eldest daughter of Mr. and Mrs. Jim Rousseau became the bride of Keith Belanger, only son of Mr. and Mrs. Roland Belanger. Rev. Father Primeau performed the ceremony for the two young people, natives of Morinville.

The historical church was decorated with gladioli, mums, and lily of the valley for the traditional June wedding.

Entering on the arm of her father, the bride was enchanting in her full length white gown with train, fea-

turing full lace sleeves, high neckline, and heavy lace trim. Her full length veil was held in place by a small cap headpiece and she carried a bouquet of lily of the valley and white roses.

Attending the bride were Mrs. Christine Foster, Miss Diane Rousseau, Miss Anita Chalfoux, and flower girl Miss Almee Chalfoux. All wore identical gowns in blue floral print with headpieces and bouquets of blue and white. Flower girl Almee carried a basket of flowers to match. The natural floral headpieces were unique, enhancing the complete floral deco.

Groomsmen Bryan Foster Kevin Durling and Coco Kre-

mer attended in navy blue with boutonnieres matching the bridesmaids bouquets.

Ushering the guests were Marcel Chalfoux and Richard Macus. Norman Chalfoux was organist for the ceremony, while soloists were Marie Douzlech and Leo Douzlech.

To greet their guests, mothers of the bride and groom wore identical formal gowns in turquoise and mauve respectively. Both mothers chose white accessories and an orchid corsage.

A reception and banquet for 160 guests was held in the Morinville Recreation Centre, and later in the evening the dance was attended by some 450 guests.

Attending from out of town were: the bride's great aunt, Mrs. George McLean from River John, N.S., the bride's cousin Mrs. Lillian Matheson from Vancouver, B.C., Mr. and Mrs. Gilbert Chalfoux and Mr. and Mrs. Bud Caron, of Fahler, and from Barrhead, Mr. and Mrs. Maurice Caouette.

After a honeymoon trip to the States the happy couple will reside in Morinville.

STURGEON

FIRST MONDAY IN MONTH - Villeneuve "Happy 60 Club" will hold their meeting regularly the first Monday of every month in the Hall - 8:00 p.m.

Fultons honoured on 25th

Well-known residents of the Alcomdale district, Cameron and Marjorie Fulton, were feted by their family and friends on the occasion of their Silver Wedding Anniversary on June 15th.

Their five children Randy and his wife, Linda, Byron and Janice, with the co-operation of Ryan and Trevor made the arrangements for an evening of dancing in Alcomdale Hall, attended by about 125 guests.

The best man, B. Lema-suel, and bridesmaid, Doris (Streeter) Reidford, both of Edmonton were present for the happy celebra-

tion. Other special guests included Mrs. Fulton's mother, Mrs. C. Fawcett of Morinville, her five brothers, Milton and his wife of St. Albert, Vernon and his wife of Vermilion, Russell of Pigeon Lake, Norman and his wife and Dwayne from Morinville; Mr. Fulton's aunt, Mrs. Maye Fulton of Shelby, Montana, his sister Mrs. E. Benson with her husband and family from Edmonton, and his brother Ward with his wife and family from Alcomdale.

Mr. James Tomten, along time friend of the family in Alcomdale made a presentation of a purse to the hono-

red couple on behalf of the community.

Cameron and Marjorie Fulton were married in St. Stevens College Chapel Edmonton in 1948 and came to their farm in Alcomdale district which has been their home through 25 years of married life.

CARD OF THANKS

We wish to express our gratitude to all who attended our Silver Anniversary dance on June 15 in Alcomdale Hall. A special thanks to the ladies of the community who prepared and served a lovely lunch.

CLEARING OUT SALE

SATURDAY, JUNE 30

Report From Bon Accord

By Sadie Allen

The new executive of the Bon Accord play school held its first meeting on Wednesday, June 13. Officers are: President - Marg Everitt; treasurer Judy Cunningham; sec. Joanne Long; crafts chairman, Marg Everitt; field trip chairman, Bonnie Gawareltz; roster chairman Roseanne Lewis. For information about next year's program, contact Joanne Long at 298-3736. There will be an opening for a teacher to take the four-year old class. Anyone interested in this position please contact Marg Everitt at 298-2209.

Mothers' of the 4H Clothing Club girls held a short meeting on June 13 to discuss the girls' camping trip to Long Island Lake from August 19 to 22. For those mothers who were unable to attend the meeting, details of the trip may be had by contacting Joanne Long at

298-3736.

Senior ladies football team played their first home game on June 12 and came up with their first win of the season by downing Horse Hills. A good crowd of enthusiastic supporters was on hand to cheer the hometown team to victory. The next several games will be played at home on Tuesdays and Thursdays.

The Alberta Goat Breeders' Association was held at the farm of Jim and Bev McKinley, R.R. 4, Sherwood Park, on June 2. Grand Champion goat, Kerri-Glen Zerex owned by Ethel Samis received the Master Feeds Trophy and replica cup. Ethel's entree also placed first in the mature buck class and second in the kids born to the end of May class.

Congratulations to Peter and Sonya (nee Kinjerski) Yurchak on the birth of their

first born, Chad Peter, 7 lbs. 9 oz. on May 31. Proud grandparents are Andy and Liz Kinjerski.

The Bon Accord senior baseball team downed league leading Vimy 6-4 in a most exciting match on June 13.

Highway 28 Junior baseball wind-up tournament will be held on June 23 and 24 at Bon Accord. Mini-miles, miles and peewees will play on Saturday at the school while playoffs for the bantams and midgets will be held at the main diamond downtown on Sunday. Starting times will be 10 a.m. on Saturday and 9 a.m. on Sunday. Due to the girls' finals being rained out on the 16 and 17, these will also be played on the 23 and 24.

Mrs. Leslie Foster, daughter of Mae and Irwin Strawson, was a recent graduate from NAIT in Business Administration and Marketing and has accepted a position as sales representative with the Westlock News. Leslie and children have moved to Westlock.

Constable Robert Strawson, RCMP, has been honored for the second time by being chosen as a member of the Honor Guard who will attend Her Majesty, Queen Elizabeth at the RCMP Centennial Celebrations in Regina this summer. Bob was also a member of the Honor Guard when Her Majesty attended Expo in 1967.

Congratulations to district young people, Gerry Schick, Linda Fearnley and Elizabeth Rigney who received their B.A., B.Sc. in Pharmacy and B.Sc. in Nursing, respectively, at the 1973 University of Alberta Convocation.

The Bingo Jackpot of \$40 was won by Mrs. Helen Robertson on Sunday, June 17. This was to have been the last bingo until the fall, however, the crowd present voted in favor of the games continuing. Next week's bingo will get underway at 7:30 p.m.

A large crowd of friends and neighbors gathered at the home of Marshall and Alice Hewitt on Saturday, June 16 for a farewell party

Report From Parliament Hill

By Stan Schellenberger, MP Wetaskiwin.

As I write this, Parliament is preparing to pass two housing bills, the contents of which are important for every Canadian. One bill contains amendments to the National Housing Act, and the other is to create a central mortgage bank and mortgage investment companies. Although the intent of the legislation is to push a greater flow of money into housing, recent announcements of increased prime rates of lending by the Bank of Canada may mean that the increased funds will bear interest rates too high for most Canadians to afford.

My colleague from Calgary, Eldon Wooliams, presented and had passed several amendments to these bills, which is another example of the potentially constructive role of the Opposition in Parliament. Specific programs under the amended legislation will make it less expensive for municipal governments, Indians on reserve, and homeowners to borrow from

as they will be leaving to make their home in Chemainus, B.C. at the end of June. Well-wishers presented them with a wooden plaque decorated with a spray of wild roses and an inscription to Alice and Marshall 'Good luck from all their friends,' as well as a purse of money.

Welcome back to Bob and Irene Davis, visiting in the district from the Okanagan.

Junior high students entertained parents and friends on Saturday, June 16. A delicious meal of fried chicken, a variety of salads and pickles and topped off with strawberry shortcake was enjoyed by all. A record hour rounded out the evening.

Due to Rev. J. Ramsay Stuart's enforced leave of absence from Oakhill, for health reasons, the annual Strawberry Tea and Open House will not be held this year. Mr. and Mrs. Stuart would like to thank everyone for their interest and support in their work at Oakhill and hope to see you at the Ranch in June of next year.

the government: the lending rate is pegged at one-half point above the government's borrowing rate. As the government has recently been paying about 7.4% for long-term money, this means that the eight per cent will be the approximate rate for these categories of borrowers.

Cost of living figures released today showed another whopping jump in what it takes for you and I to support our families. Above and beyond the usual food price jump, the latest statistics indicate to me how especially hard hit are many farmers. Cost of feed, farm labour, machinery and construction all continue to soar.

The latest issue of the weekly lumber industry publication, 'Random Lengths' states that most lumber prices will maintain the record level set last year.

Figures released last week show that 1,478 million of Alberta's 1,628 million people speak English most often at home, followed by German (29 thousand), Ukrainian (27), French (23) and Native Indian (22).

Announcements from Federal Agriculture Minister Whelan revealed this week that compensation for animals slaughtered as a disease control measure has been increased to become more in line with the market value of cattle. The maximum compensation rates have been upped to \$300 for each purebred and \$150 for grade cattle.

The Minister also announced that payments under the Prairie Farm Assistance Administration (PFAA) will continue this year in

areas where crop insurance is not yet available, which includes much of Alberta. No levies under the program have been collected since August, 1971, but the \$10 million still remaining in the fund is to be used and those who might be eligible should contact their district office or the PFAA head office in Regina.

As always, I am interested in your comments on these or any subjects; where do you stand? How do you feel? Write me post free at the House of Commons.

Sturgeon Valley 4H

The Sturgeon Valley Dairy Club held its regular meeting on June 5 at Nmanoo. The judging competition was discussed and it was decided that this event would be held at the farm of E. Briggs June 13. The meeting was subsequently held last Wednesday and proved to be a great success. All members of the club were in attendance and everyone also enjoyed a delicious lunch served by Mrs. Briggs.

Plans were also discussed for the banquet scheduled for August 20 at which Lt.-Gov. J. Grant MacEwan will be guest speaker.

The Achievement Day, initially scheduled for June 9, then postponed to June 16 and postponed again, will now be held Monday June 25 at the Boccock Farm at 1 p.m.

LEGAL LOCALS

By Lucienne Montpetit

On Sunday afternoon a miscellaneous "wine and cheese" bridal shower was held at the home of Mrs. Suzanne Giguere for Marie Snappa and Evelyn Stone, when hostesses Bernice Mercier and Joanne Giguere provided an entertaining afternoon for their guests.

The future brides thanked everyone for coming and bringing such beautiful useful gifts and special thanks went to the hostesses.

Marie will become Maurice Giguere's bride on June 30, and Evelyn will exchange marriage vows with Fernand Pelletier on July 14.

While the "girls" were chatting, visiting and playing games the men held a fun filled afternoon for Maurice and Fernand on Mr. Albert Pelletier's farm residence.

No reason to have dirty cars now that Gerry's Car Wash is open. It will be most convenient for the community.

Mr. and Mrs. Roger Prefontaine are now to announce the arrival of their first grandchild born on May 25. Christine was baptized by her uncle, Father Claude Prefontaine on June 15. The proud parents are Bernice and Dolores Girard.

On June 29 the Sports Committee along with the Students Union are presenting their annual "Sports Awards Night" at Legal School. The evening will begin with a banquet at 6 o'clock following will be presentations with guest speaker Mr. Trukey. The dance will commence at 9:30 featuring "The Better Days" Admission to the dance \$1.75 per person or \$3 per couple. Come encourage and support our school.

Mr. and Mrs. Ubaldo Couture from Debdon, Saskatchewan were weekend visitors at the home of Mr. and Mrs. Leo Charrois.

Duane Montpetit and Cecile Proulx were feted at a social evening on June 15 at the Community Hall with some 200 guests attending. Cecile was very charming in her floral floor length gown that was complemented by a corsage of yellow roses. A purse was presented to the couple by emcee Alphonse Doulech. The Golden Altos supplied the toe-tapping music. A delicious lunch was served by the ladies. Duane and Cecile will exchange marriage vows on June 23.

Mr. and Mrs. A. J. Vanlot from Moncton, N.B., are visiting with their son Leo

and family. We hope you'll have a pleasant visit in our community.

Sincere condolences to Mrs. Wilfred Leacavalier, Mrs. Leo Regimbald and Mrs. Jean-Marie Tieulle who are mourning the loss of their mother Mrs. Lydya Desmarais from Morinville.

Congratulations and best wishes for many more years of health and happiness to Mr. and Mrs. Frank Laberge who celebrated their silver wedding anniversary on June 8th. The couple took advantage of this special occasion to go on a holiday to Banff and Jasper. They were accompanied by their son Ron and wife Brenda.

Canada Week (June 25 - July 1) is National Celebration designed to call attention to the different aspects of Canadian Life under the theme "Canada, Let's Think About It, Pensions-y."

Proclaimed by the Prime Minister of Canada, the Premiers of the Provinces, and the Councils of more than 1,000 Canadian communities Canada Week is the ideal occasion to manifest our belief in a United Canada. Posters and stickers will be distributed throughout the Village of Legal during Canada Week.

Bride-elect feted in Legal

The Recreation Centre was beautifully decorated last Wednesday to shower the bride-to-be Mae Skrynnyk with a miscellaneous shower.

Mae is the daughter of Mr. and Mrs. Mike Skrynnyk from Kinuso.

Mae was lovely in her white pant suit complemented by a shocking pink ruffled blouse, with pink roses on corsage. Seated at the head table with the guest of honor was Mrs. Roland Prefontaine, mother of the groom. Due to the distance the bride's mother was unable to attend.

Mae received many beautiful and useful gifts. She thanked everyone for their kindness especially the hostesses Laurette Kleser, Doreen Champagne and Sylvia Bilodeau for organizing such a pleasant evening in her honor.

Everyone enjoyed the delicious lunch that brought the evening to a close.

Mae and George Prefontaine will be united in the sacrament of holy matrimony on July 14 in St. Felix's R.C. Church.

(AFTER HOURS -- 256-3091)

Tour planned for M.D. seniors

A bus tour of Southern Alberta is being organized for August 6 - 15, open to all residents of the District of Sturgeon, 60 years of age and over. The cost is \$70. This includes five nights accommodation, bus, and entrance into various points of interest along the route. This does not include the cost of meals. Meals on the trip will be left up to the individual.

A Greyhound bus will leave M.D. of Sturgeon on August 6th at 3 a.m. August 6th. The first stop is Drumheller, where tours of

the Dinosaur trail, the hoodoos, and the Atlas Coal Mine have been arranged. Then to Medicine Hat where visits to a glass factory and a pottery plant and a tour of the town have been arranged. The group will also be spending an afternoon visiting Cypress Hills Provincial Park. From Medicine Hat the tour heads on to Lethbridge to visit the Japanese Gardens, and a brewery. From Lethbridge the bus leaves on a roundabout trip to Calgary with stops at Cardston for a tour of the Mormon Temple, Wa-

terton Lakes National Park, and Fort Macleod for a look at the NWMP Fort.

In Calgary the tour will visit Heritage Park and the Husky Tower.

The accommodation for the trip will be completely arranged in advance. Overnight stops are at Drumheller, Medicine Hat (two nights), Lethbridge and Calgary.

If you are interested in going on the trip you can give your name to your local Senior Citizen Club Secretary. A \$20 deposit must be paid by July 13. If you do not have a club in your area, or would like more information, phone Tim Deutscher or Marjolaine Chamberland at 424-6276 or 256-3321 or write to: Senior Citizen Program Coordinator, M.D. of Sturgeon #90, Box 510, Morinville, Alberta.

REASONABLE

FUNNY BIRD

Nel Funny looking maybe but functional. Built for work. His natural habitat is high grass, weeds and brush. He mows down little blades of grass or 1-1/2" saplings with his 36" or 44" bill. He goes over rough terrain safer, faster, easier and with a longer proven life than other birds.
You see more JAR's in the yards and on the grounds of America than any other bird. Invest on JAR - he'll reward you with dedicated service.
